WHAT IS A RED PANTRY?

Red Pantries are **free** and open to anyone who needs them.

The pantries offer a variety of different sized tampons and pads.

There are currently three Red Pantry locations on campus.

WHERE ARE THEY LOCATED?

1

Laundry facility next to the Family Resource Center.

2

Room 211P in the Student Union, behind the Campus Life desk.

3

Our Daily Bread by request.

While you're here, take our survey!

We encourage all students who menstruate to take this survey so we can gather more information about the menstrual needs of OSU's students.

If you'd like to help our cause by volunteering, donating, or joining the Red Pantry Committee feel free to contact us!
